

GR/O

Water Saver Reverse Osmosis

1 TO 1 PRODUCT TO WASTE RATIO

High Recovery Membrane reduces waste water by nearly 30%

75
GPD

Benefits of the GR/O

- Conserves Water
- Innovative Design
- Saves Money
- 2 Year Manufactures Warranty
- 50% Recovery Rate

Featuring A High Recovery Membrane

- High rejection stability at high input TDS
- TLC Thin Layer Composite Membrane
- 100% dry membrane maximising shelf life
